

“WHY WAIT? BECOME A BRUIN!”

“We missed the deadlines! Can we still apply? How do we do that?”

- **YES!** Apply at SPSV.org.
- Email Admissions@SPSV.org to register for the next High School Placement Test.
- Contact the Admissions Department at Admissions@SPSV.org to schedule an interview with our Administrator.
- We'll request information from your current school and then review your complete Application Packet.

“Is there still financial aid?”

- **YES!** But, as a late applicant, you need an access code to apply for financial aid, so contact K.Branch@SPSV.org for a code.
- We urge you to start your application ASAP, because the process can take up to 10 days.
- For more information about financial aid, email K.Branch@SPSV.org.

FYI, financial aid and admissions reviews happen simultaneously by different offices, though financial aid isn't granted until a student is accepted to SPSV.

“How can I find out more?”

- Join us for a Zoom information meeting on Wednesday, April 14 at 6:00 pm!
- Visit a class! If you've applied to SPSV, you can attend a class that fits your unique interests, via Zoom.
- Schedule a private tour! Most of our students are on campus Monday through Thursday.
- To attend the information meeting or schedule a visit or tour, email us at Admissions@SPSV.org.

“I'm not in 8th grade yet. When should I start learning about SPSV?”

It's never too soon!

- Our Open House next fall is on October 17, 2021, so save the date!
