Willett Wear Orders Due Thursday, Sep 9, 2021

Please turn in your order form and payment to the PTA box in the office. Additional order forms are available in the office as well. You may also order online at <https://willettpta.org/support-us/willett-wear>. We look forward to seeing students sporting their Willett Wear!

Active4.me Update

Active4.me had a very successful first full week, thanks in part to a student scanner who helped scan on Thursday when Christal was the only volunteer. That day we scanned 80 students! This week 104 students walked or biked to school, saving 610 lbs. of CO12. If your student walks, bikes or takes public transit, please consider signing them up for an Active4.me bar code tag. When the tag is scanned, a message is emailed or texted to the parent that the student has arrived at Willett. Active4.me students and staff help reduce congestion around schools and save the environment. If your student walks, bikes or takes a bus, please consider signing him or her up at <https://www.active4.me/Registration/willett>. Print out, sign and bring the form to the Active4.me table by the

bike racks to receive the bar code tag. **Also, we can still use another parent scanner.** If you can spare 15 or 20 minutes between 8:00 and 8:30 and have an Iphone, please email your interest to Christal Waters at chrysal2waters@yahoo.com. Thank you!
