Mask Update

Please read the following update from the County regarding masks.

Upgrade your masks: Two layer cloth masks do not provide adequate protection from the Omicron variant. If you or your child wears a cloth mask, use a replaceable filter between the two layers or double mask with a surgical mask as the first layer. Surgical masks come in adult and child sizes. DJUSD is currently in the process of providing additional surgical masks at sites for staff and students who need them.

Active4.me

The scarf contest has officially ended. We started 2022 with 106 students logging 363 trips and saving 568 lbs. of CO₂. The count is a bit lower than pre-Christmas weeks, but we are hoping to see more students log in as the school year continues. Biking and walking to school is a healthy exercise, in addition to saving gas money and CO₂. We hope that some of the older students who have bar code tags but don't stop by the table will take a few seconds to scan in again.
