Celebrating over 100 years of Quality Catholic Education

May 28, 2021

Dear Parents of Incoming First Graders,

Welcome to first grade! I am so very excited to be beginning a new year with you! It is going to be a great year full of learning and fun!

First grade is going to be an exciting year where we will build on the skills learned in kindergarten. We will learn to write paragraphs, opinion writing and research projects. To prepare for class it is important that students continue to practice academic skills every day over the summer!

Please work on the following:

- Read for at least 20 minutes per day
- Practice writing first and last name (use only uppercase letters for the first letter of the name and lowercase for the rest of the name)
- Review letters out of order and sounds
- Practice sight words 1-50 (see chart below)
- Count to 120
- Review counting to 1-30 and skip counting by 2s, 5s and 10s
- Use addition and subtraction to solve word problems
- practice addition and subtraction facts to 20
- practice place value within 2 digit numbers

Sight Words to Practice

The required IXL assignments are on the back of this letter. Please complete by the first day of school.

Don't forget to order your school supplies from 1st Day School Supplies (link on school's website). They will be delivered directly to the classroom with your child's name.

Sincerely,
Mrs. Neff
