

Holy Name School Annual Auction Fundraiser

October 2021

Dear Friend of Holy Name School,

Holy Name School, located in San Francisco's Outer Sunset District and serving children in K-8th grades will host its annual Auction Fundraiser on Saturday, March 19, 2022. Our diverse community of alumni, friends, parishioners and parents will participate in this festive event, raising essential funds for **Capital Improvement Projects** to keep our school campus modernized for the next generation of students.

As businesses re-open, please partner with us by donating a product, gift certificate or service that is suitable for an auction or raffle prize for this event. Your business will be featured in our online Auction catalog and on displays at the event. It will reach more than 600 community members, educators and local business owners. Your contribution is a great way to showcase your business and show your support for the leaders of tomorrow.

Your support will help Holy Name School serve students of all different backgrounds and nationalities, bonding together in education and faith.

We extend our gratitude to those who have contributed in the past, and welcome new supporters. **If you are able to help our cause, simply complete the form attached and join us in the spirit of generosity and inclusion at Holy Name School.** Your donation is tax-deductible to the extent permitted by law; (501c3) letter is available upon request.
