## PROFESSIONAL LEARNING

### SECTION 504 Training

504 plans are a blueprint that schools develop to describe supports and to remove barriers for a students with a disability. These plans do not have clearly defined rules for how they should look, so schools often have questions around how to best develop and implement them.

**Tuesday**

**November 17, 2020**

**2:30pm - 4:00pm (virtual)**

**Registration:**

The goals for this hour and a half training are to provide support in the following areas:

- When to develop 504 plans
- Requirements of the 504
- 504 vs IEP
- Management and Implementation
