Community Comments: Time will be given to speakers at the discretion of the Chairperson. The law allows the public to address the Committee on any matter not on the agenda, but the law prohibits action by the Committee on non-agenda items. Issues raised by the public may be referred to a future meeting agenda for CAC discussion. Please limit comments to two minutes per individual.

- Karen Mulvany shared feedback regarding transportation discussion at the Family Voices of California conference. Further guidance needed on if staff administer emergency medical interventions during transport. SELPA will follow up with guidance to local districts.
- Discussion then began about EpiPen requirements in classroom.
- Renee Wonder asked about a way to support students that attend the county class in becoming part of the school culture
- Renee Wonder and Megan Lorenzo asked about how to increase funding for special education to increase inclusion opportunities.
- Discussion regarding how culture and climate is developed on a site, with funding being one component of supporting all staff in understanding the benefits of inclusion.
