

PHILOSOPHY, GOALS, OBJECTIVES AND COMPRESNESIVE PLANS

BP 0460 – Local Control and Accountability Plan

The El Dorado County Board of Education (Board) desires to ensure the most effective use of available state funding to improve student achievement and other outcomes for all students. A comprehensive, data-driven planning process involving local stakeholders shall be used to identify annual goals for the El Dorado County Office of Education (EDCOE) and specific actions to achieve those goals.

The Board shall consider for adoption a proposed local control and accountability plan (LCAP) presented by the County Superintendent of Schools (Superintendent). The LCAP shall address the state priorities specified in Education Code 52066 and any additional local priorities established by the Board.

The LCAP shall focus on improving outcomes for all students, particularly those who are identified as "unduplicated students" and numerically significant student subgroups who are at risk of or are underperforming.

On or before July 1 of each year, the Board shall consider for adoption any update to the EDCOE program LCAP required pursuant to Education Code 52067.

Content of the Plan

The EDCOE program LCAP shall adhere to the template provided in 5 CCR 15497.5 and shall include, for each school or program operated by the Superintendent:

1. A description of the annual goals, for all students and for each numerically significant student subgroup, to be achieved for each state priority as applicable to the students served.
2. Goals identified for any local priorities established by the Board.
3. A description of the specific actions the Superintendent will take during each year of the LCAP to achieve the identified goals, including the enumeration of any specific actions necessary for that year to correct any deficiencies in regard to the state and local priorities.

To the extent practical, data reported in the LCAP shall be reported in a manner consistent with how information is reported on a school accountability dashboard.

Adoption of the Plan

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP or the annual update. The public hearing shall be held at the same meeting as the public hearing required prior to the adoption of the EDCOE budget in accordance with Education Code 1620.

Prior to considering and adopting the EDCOE budget, but at the same public meeting at which the budget is adopted, the Board shall adopt the LCAP or the annual update to the LCAP. This meeting shall be held after the public hearing described above, but not on the same day as the hearing.

Monitoring Progress

At least annually, the Board shall review data presented by the Superintendent evaluating the EDCOE's progress toward attaining each goal identified in the LCAP.

Indicators of progress toward state priorities shall include those identified in Education Code 52066 and any additional indicators established by the Superintendent.

Annual Updates

On or before July 1 of each year, the LCAP shall be updated using the template in 5 CCR 15497.5.

Submission of Plan to Superintendent of Public Instruction (SPI)

Not later than five days after adoption of the LCAP, the Superintendent or his or her designee, on behalf of EDCOE and/or the Board, shall file the LCAP with the California State Department of Education.

Technical Assistance

When it is in the best interest of EDCOE, the Board may submit a request to the SPI for technical assistance.
