BP 1110 Information Pertaining to District Reorganization

The County Office of Education and the Board shall assist the public in matters of district reorganization, guided by the following objectives and goals:

1. Provide accurate and unbiased information to all individuals, groups, and organizations upon request.
2. Act in an impartial manner and encourage those who support and oppose a particular reorganization and to remain focused on serving the students of the county.
3. Regardless of the outcome at the polls, the Office shall maintain a harmonious and cooperative relationship with all elements so as to continue to serve the children of all districts.
4. Professional personnel have the right and duty to clearly state, in their professional judgment, matters pertaining to reorganization, so that the general public can profit from their opinions.
