No funds, services, supplies, equipment or facilities may be used for the purpose of urging support or defeat of any ballot measure. However, public resources may be used to provide information to the public about the possible effects of any ballot measure, so long as the information provided to the public constitutes a fair and impartial presentation of the relevant facts to aid the electorate in reaching an informed decision. The Board may sponsor a forum if the forum is made available to all sides on an equitable basis.
