

COMMUNITY RELATIONS

**BP 1340 Staff Participation with Nonprofit Community
Organizations/Activities**

Participation With Nonprofit Community Organizations

The Board encourages the Superintendent and staff to actively participate and assist in activities and projects that are sponsored by nonprofit community service organizations established for the benefit of the community and its youth.

Staff Participation in Community Activities

The Board encourages the Superintendent and staff to actively participate and assist in community and youth activities and to take an active role, when appropriate, in civic projects and events for the benefit of the community and its youth.
