

BUSINESS AND NON-INSTRUCTIONAL OPERATIONS

BP 3200 Contracts

Prior to a contract entered into between the County Superintendent of Schools and any outside agency, bids shall be obtained when required by law (See E.C. §§ 38110-38120), or when beneficial to the county office. When bids are not required by law, and the superintendent does not opt to use the bidding process, goods and services shall be obtained at the lowest price obtainable consistent with desired specifications and quality.
