

**ALL PERSONNEL**

**Employee Assignments**

The County Superintendent of Schools shall make employee assignments in accordance with the needs of the County Office of Education.

Employees have no right of assignment to a particular work site.

Except where otherwise appropriate, certificated employees shall be assigned within the scope of their certificate and competency.

The Superintendent reserves the right to assign, reassign, schedule and modify all terms and conditions of employment in accordance with the needs of the County Office of Education.
