Bus Conduct

Bus transportation through El Dorado County Transit is extended to Charter Community School students who display good conduct while preparing to ride, riding or leaving the bus. Disorderly conduct or refusal to submit to the authority of the driver shall be sufficient reason for a general student to be denied bus transportation. In the case of students with disabilities, alternative transportation shall be provided and disorderly conduct or refusal to submit to the authority of the driver shall be addressed pursuant to special education legal requirements.

The Superintendent or designee shall establish regulations related to bus conduct, bus driver authority, and the suspension of riding privileges. The County Office of Education shall make these rules available to parents/guardians and students.
