

INSTRUCTION

Release Time/Interruptions

The Superintendent recognizes that class time should be dedicated to student learning. The Superintendent believes that classroom interruptions which are not related to the educational program shall be kept at an absolute minimum. Every attempt shall be made to avoid staff or student activities that conflict with the instructional period.

School visitors and observers must make appointments in advance, with the exception of parents visiting their own children. Parents are encouraged to also notify schools of intended visits. Classes operated at district sites will follow the school site visitation sign-in procedures. Program administrators will notify parents in writing annually of the program visitation policy and procedures.

Classroom maintenance operations involving noise or classroom disruption will be performed before or after school hours whenever possible.
