School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

“The Rescue Union School District, working cooperatively with parents and community, will educate all students to their highest potential, preparing them to understand and appreciate the past, adapt to the ever-changing present, and make responsible decisions for the future.”

Marina Village School is located north of Highway 50 in El Dorado Hills. The school is 38 years old. It is a sixth/seventh/eighth-grade school with an enrollment of 600 students on campus and nearly 200 students in distance learning. Marina Village is one of seven schools in the District. Marina Village has a trimester schedule which provides students with more enrichment choices than on a semester schedule. Progress reports are posted online shortly after the middle of each trimester. Grades are posted online at the end of each trimester and hard copies are available upon request.

Marina Village has established a reputation for academic excellence. There are grade requirements for participating in extracurricular activities. The staff has high expectations for quality work from students. Each student can expect to be treated fairly, to work and play in a safe environment, to be challenged, and to be properly instructed and evaluated by competent, caring teachers.

Students with special needs are provided special help through several support programs. The Resource Specialist Program provides help for students in the areas of mathematics, reading, and language arts. This support is provided by direct instruction, collaboration with the classroom teacher, and team teaching. Class size is small to allow for individual attention. Additional support is provided by a school counselor, a district nurse (1 day per week), a district psychologist (4 days per week), and a county speech/language specialist (2 days per week). Services include academic counseling, crisis intervention, and referrals to outside agencies. Tutorial instruction is available before school, during lunch periods when school is in session for a full day, and after school through the Homework Club program for those students in need of extra help. A mandatory assignment to Homework Club is provided for students who are academically failing. During the COVID-19 shutdown, some of these services are held via video conferencing. Marina Village teachers work closely with the support staff.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

School buildings and grounds at Marina Village provide a clean, positive environment that is conducive to teaching, instruction, and learning. Staff and student restrooms are clean and well maintained. Floors, wall, roof, and plumbing are maintained on a regular schedule.

The Rescue School District custodial and maintenance personnel work hard to keep the campus clean, safe, and in good working order. A district deferred maintenance program is in place to repair or replace major areas of the campus, such as roofs, blacktop, carpet, and heating/air conditioning units. All efforts are made to ensure building safety, cleanliness, and adequacy. The school has built an outdoor science classroom that is maintained by students through elective classes and community service opportunities. Improvements to the landscaping and parking lot have been completed.

The student leadership program and Marina Ohana Committee program have each installed storage units for supplies. The District has completed a full remodel of the school gym, adding a new wood floor, two new scoreboards, new record boards, and painting the gym interior. The District has also completed the remodel of the main office in order to provide a private health office space, an additional security exit, and a larger conference room. Construction has been completed of a new two-story building that facilitates two new science classrooms, a new Project Lead the Way classroom, and approximately 9 general education classrooms.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 12/22/20

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Carpets need replaced
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	Leaking fixtures, floor tiles rippling
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Fair	Old portables rotting and leak, dry rot
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)		N/A		N/A		N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parent support of the school is very strong. Parent involvement includes, but is not limited to, Parent Teacher Club (PTC), School Site Council, Music Boosters, chaperoning dances and field trips, volunteering with the office and in classrooms, and assisting with promotion activities. Weekly updates from the principal are sent to parents by email and posted on the school website with announcements and reminders about school programs, activities, and events. Additional communication with parents regarding the school and individual students is maintained through an online grade reporting program (Jupitergrades), telephone calls, progress reports, letters, social media, conferences, press releases, special flyers, e-mail, and school website (www.marinamustangs.com).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.0	2.1	2.0	1.2	3.5	3.5
Expulsions	0.1	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.81	1.01	
Expulsions	.48	.11	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Parents and students consistently provide feedback indicating that Marina Village promotes a positive learning environment and that students are challenged in all academic areas. Positive behavior and achievement are recognized in numerous ways. Staff members nominate students for "Student Recognition" at the end of every trimester. These students are acknowledged for their special achievements at school assemblies. Teachers provide tickets for outstanding behavior (Ohana Tickets and Mustang Pride Tickets) that may be redeemed for prizes and are entered into monthly drawings. Academic achievement is recognized through Honor Roll and Principal's Honor Roll awards each trimester; and the school's chapter of Honor Society (not active in 20-21). 8th-grade students are eligible for the Mustang Pride Award for academic excellence over 3 years and are awarded at 8th-grade promotion.

High expectations for student citizenship are an important part of the Marina Village climate. All students participate in a merit system that encourages appropriate behavior and results in merit deductions and disciplinary action as a consequence of poor behavioral choices. Students who complete each trimester with a full complement of merits are rewarded with an educational assembly. Students who do not qualify for the assembly may participate in alternative activities to help them to learn about personal responsibility and positive choices. The school counselor also provides presentations to all students in behavioral areas that are a concern and school-wide assemblies provide additional instruction in behavior areas such as bullying, cyber safety, substance abuse, and student interactions.

Each year the school's safety plan and discipline policy are reviewed. The policy revisions have positively influenced student behavior. This year's committee will review the existing policy and may recommend additional revisions. Marina Village has implemented several programs to improve the climate and help students feel more connected to the school and their community.

The WEB program (Where Everybody Belongs) is made up of 8th graders who plan activities with 6th graders to help them with their transition to middle school. Marina has implemented a PBIS (Positive Behavior Intervention and Supports) program to teach student behavior expectations, to recognize positive choices, and to provide support services for students. A variety of clubs meet after school, offering opportunities for positive social interaction. Marina students are involved in anti-drug, anti-tobacco, environmental, and community service activities. Marina staff have also been training SEL practices and conflict resolution. Marina Village students function in a safe, positive environment. Marina Village recognizes that positive behavior and appropriate activities will stimulate a healthy, productive school climate.

A Site Safety Committee meets as part of the School Site Council to update the School Safety Plan and identify areas of need. Eagle Scout projects and community outdoor workdays are scheduled to improve facilities.

Due to COVID-19, many adjustments in cleaning protocols, school schedules, and remote learning have been implemented to provide for the health and safety of staff and students.

Types of Services Funded (Fiscal Year 2019-2020)

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing instructional materials, supplies and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students.

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

Early Release Professional Development/Teacher Collaboration days are scheduled each Wednesday throughout the school year. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, curriculum, technology, Common Core State Standards, and other educationally related matters are provided for all teachers.

Teachers receive professional development and will work collaboratively on a regular, ongoing basis to target key standards, analyze formative assessment data and develop appropriate instructional practices.

At the middle schools, minimum days are provided for departmental collaboration, parent conferences, report card preparation, and middle school/high school departmental articulation.
