## **BB 9500 - County Superintendent's Compensation**

The County Board of Education believes that the County Superintendent of Schools renders services that promote the success of students and of the educational programs of the county office of education, and that anyone occupying the position should be fairly compensated for his/her service. In accordance with law, the County Board shall fix the salary of the County Superintendent and may adopt a compensation package that includes, but is not limited to, salary, allowances, health and welfare benefits, and other benefits as appropriate.

The Attorney General has opined that a County Board may increase or decrease the County Superintendent's salary at any point during the term for which the County Superintendent was elected, but that any salary decrease may not be retroactive. Due to the conflict recognized by the Attorney General between the California Constitution and Education Code 1207, prior to decreasing a County Superintendent's salary, the County Board should first contact legal counsel.

Any discussion and/or action take on the County Superintendent's compensation shall take place in open session, at a regularly scheduled meeting of the County Board.

Any changes to the County Superintendent's salary, compensation, or any benefit, for any reason, may only be made upon approval of the County Board after discussion at a regularly scheduled meeting of the County Board.

The County Board may utilize Administrative Regulation 9500 in determining the County Superintendent's compensation.
