Dear Salesian Community,

### Welcome Back to In-Person School:

We look forward to resuming in-person classes on Monday, March 1, 2021. While we spent the last few weeks on Distance Learning, we took the opportunity to deep clean our school building. I would also like to give a shout out to Nick Figone for spending an entire afternoon rolling his hospital grade UVC spectrum, disinfecting light machine, through our school. Nick, thank you for sharing and offering your time for our school community. Everything looks great on campus and we are very eager to welcome our students back to school. Our faculty and staff continue to complete weekly COVID testing.

Peace,

Dr. Harris

## Important Announcements

### Parent Survey for the term beginning March 15:

*As promised, you are getting the opportunity to make a choice for In-Person or Distance Learning for the final few months of this school year. On March 15, we will begin with the new In-Person or Distance Learning groups. These groups will remain stable until the last day of school. **The survey links can be found at the end of this newsletter.***
