March 15, 2021

Saints Peter and Paul School

660 Filbert Street, San Francisco, CA 94133

Sspeterpaulsf.org – 415-421-5219

Dear Salesian Community,

Well, we made it through the Ides of March. It was great having the next batch of students join us on campus for in-person learning. The building is coming alive, and it is starting to feel like a school again. We continue to thank all of you for your hard work and compliance with the health and safety guidelines.

St. Patrick's Day Free Dress:

The students on Zoom and in-person are welcome to wear green in honor of Saint Patrick's Day on Wednesday, March 17th. Free dress green! We all need a bit of spirit now so feel free to go with the Saint Patrick's theme on Wednesday.

Questions about the 2021-2022 School Year:

Many questions need to be answered about what will be taking place in the new school year. Some of the answers to the questions are still pending, but I am going to give you an idea of what we hope to do for the new academic school year.

We will always be mandated to follow the Department of Health Guidelines. We hope that we will be able to return to our usual school schedule, but we may have to accommodate protocols that will still be in place such as social distancing, masks, hygiene, etc.

Thank you for your continued support and all your hard work.

Warm Regards,
Dr. Harris

FAQ's about the 2021-2022 School Year

Question: When will school be starting?

Answer: August 23, 2021

Question: Will there be a full school day?

Answer: We plan to return to a full school day in the Fall.

FAQ's (continued):

Question: Will Distance Learning still be an option?

Answer: We cannot answer that at this time, as we do not know what the COVID conditions will be like in August. If there is still a very high rate of infection, we will consider keeping a Distance Learning Option available.

As information becomes available to us, we will share it with our Saints Peter and Paul School community.
