COVID Addendum 2020-2021

(Supercedes in accordance with local county and state health mandates).

PLEASE NOTE: First day of school is Tuesday, August 18, 2020.

Remote Learning School Schedule

When you see an online class time schedule, it does not mean that the students will be watching a screen the entire class period. It means that a student will join the class at a particular time. There are many options teachers will have such as a 10 to 20 minute lesson, problem solving, tutorials, and projects all while the camera is on just like class. Students are not watching their teachers the entire time during in-person instruction, they are learning among themselves. The camera may be on; however, students should be thinking, solving, creating, and learning. Screen time will be based on the grade level. Updated classroom distance learning schedules (virtual meets are subject to change) are on School Speak.

School begins at 8:10 A.M. and ends at 2:45 P.M.*

(Excluding Kindergarten which will be dismissed at 1pm until Thursday, September 3, 2020).

Student Conduct Off Campus and Distance Learning

Students will:

- be in uniform top or modified dress as listed on the school website. This includes having students wearing their purchased Festival t-shirt through the end of September.
- will be on time for the beginning of class.
- must be sitting at a desk or table during instructional time.
- will not engage in any other activity during instructional time.
- must be on camera during scheduled class time.
- will not distract others during instructional time.
- follow the guidelines as stated in the Parent Handbook and follow St. Robert School Christian Code of Conduct.
- parents may not participate in any classroom activities or instruction without the teacher's consent before the class has begun.
- No recording of teachers or students may be taken without explicit permission from St. Robert School's administration.

- **Any posting of students or teachers on the internet without the explicit consent of all parties and the administration will result in decisive administrative action such as the cost of removing the material from the internet and possible suspension or expulsion.**
- Action will be taken for violating the above rules. Dependent on the conduct, the action could impact the student's conduct grade or lead to stronger disciplinary actions such as **suspension or expulsion.**

WARNINGS WILL BE GIVEN ONLY ONCE. IF THE INFRACTION CONTINUES, CONDUCT MARKING AND GRADE MAY BE ADVERSELY IMPACTED.

Absences and Tardies.

- Students must attend all classes on time during the day unless there is an excused absence.
- Tardies will be given for every class.
- Unexcused absences and tardiness generally affects the students progress and conduct grade in the curriculum.

Parents must call the St. Robert School Office and notify the student's teacher if their child is unable to attend class or school for either onsite or distance learning.

INTRODUCTION

All parish and Archdiocesan school programs are governed by the policies and regulations of the Department of Catholic Schools as set down in the Administrative Handbook for Elementary and Secondary Schools, Archdiocese of San Francisco and in interim communications. These regulations have the same purpose and binding force as all other directives and enactments of the Ordinary (Statutes 147) (See 2121).

The Catholic schools in the archdiocese of San Francisco, mindful of their mission to be witnesses to the love of Christ for all, admit students of any race, color, and nationality and /or ethnic origin to all the rights, privileges, programs and activities generally accorded to or made available to students at St. Robert School. The Catholic schools in the archdiocese of San Francisco do not unlawfully discriminate on the basis of race, color, nationality and/or ethnic origin, age, sex or disability in the administration of educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

This Parent / Student Handbook contains the philosophy, policies, and procedures for Saint Robert Catholic School for the 2020–2021 school year. Parents and students are to familiarize themselves with its contents and return the Parental Agreement Form no later than August 30th. The Parental Agreement Form is located in the Appendix.

I. ADMINISTRATIVE POLICY

MISSION STATEMENT

The students, faculty, staff, parents, and community of Saint Robert Catholic School (St. Robert School) are committed to creating a caring Catholic environment, which fosters and implements a Christ-centered and up-to-date academic program. Our vision is for our students to experience the rewards of positive self-esteem, self-discipline, respect for others, and a true sense of community spirit as they develop their skills as Respectful Christians, Effective Communicators, Accountable Citizens, and Lifelong Learners.

PHILOSOPHY

We at Saint Robert Catholic School acknowledge that we are called to share the Good News of Jesus Christ with the children who have been placed in our trust. Therefore, we, in partnership with our parents, whom we consider the primary educators of our students, are dedicated to providing our children with a viable, complete, and comprehensive Catholic education.

This education enables our students to learn the message of our faith, whereby God reveals God's self to all people and unfolds the mystery of our salvation. We teach this message not as a lesson to be learned, but a lesson to be lived. We endeavor to provide our pupils with opportunities to develop a personal relationship with Jesus Christ. We understand our call to the ministry of education, and we seek to teach as Jesus taught.

Our education challenges our students to understand their roles as contributors to each community to which they belong. At Saint Robert Catholic School, we teach community by

experiencing it. We believe that the feeling of belonging to a community leads to a sense of service. Our education encourages our students to recognize their call to grow spiritually, intellectually, physically, psychologically, and socially so that through their personal growth they may better serve the members of God's family.

II. ACADEMIC POLICY

ACADEMIC PHILOSOPHY

St. Robert is an academic elementary school. We strive to provide the best possible program to meet the current needs of the students enrolled and to provide a foundation for their continued education. We provide a structured and disciplined environment that has a curriculum emphasising religion, language arts, mathematics, social studies, science, and technology.

St. Robert Catholic School educates the whole child, spiritually, intellectually, socially, and physically. Our primary aim is to provide a quality Catholic education.

ACADEMIC EXPECTATIONS

Students at St. Robert must actively participate in their education. Our students realize that their primary responsibility is to actively learn as respectful Christians. Parents, teachers, and friends may guide and direct the learning process, but real achievement in the academic endeavor is not possible if a student is not actively involved.

Each teacher expects that a student will come to class fully prepared, ready and willing to participate in the lessons of the day. Copies of grade level expectations are given to parents at Back to School Night.

SAINT ROBERT'S STUDENT LEARNING EXPECTATIONS

1. Respectful Christians

I have a relationship with Jesus through prayer, scripture and service.

I show I am a disciple of Jesus through my words and actions.

I respect myself, others, and all of God's creation.

2. Effective Communicators

I express my ideas, feelings and opinions in a positive way.

I listen respectfully to the ideas, feelings, and opinions of others.

I use conflict resolution to solve my problems.

3. Accountable Citizens

I am aware of my responsibility to my school, community, and world environment.

I take responsibility for my words, actions, and choices.

I treat others fairly and equally.

4. Lifelong Learners

I am prepared and organized to complete assignments and reach my goals.

I work independently and cooperatively with others.

CLASSROOM CONDUCT

Students are expected to be active participants in all class activities and to assist in maintaining order by refraining from disruptive conduct. School and class rules are to be observed at all times. Incomplete and/or missing class work or projects will result in a mandatory after school or recess detention. Further, incompletes or missing work will affect the students' grades.

MATERIALS

Students are expected to bring all necessary materials to class. This includes all textbooks, workbooks, notebooks, pens and pencils, binder paper, and any other materials required by the teacher.

HOMEWORK

Homework is planned to meet the needs of students and has an essential place in the educational program. Homework will be assigned to reinforce concepts and skills that have been presented in class, to foster the student's creativity and discipline through enrichment projects or research and to train the student to work independently and to accept responsibility for completing a task. Homework may be a combination of written assignments, study, and long-term projects. Assignments should be neat, complete, and on time. Incomplete and/or missing homework assignments may result in a mandatory after school detention period.

COMMENT CODE

+ Area of Strength

Need Improvement

California Junior Scholarship Federation

The California Junior Scholarship Federation (CJSF) is a statewide organization of over 600 chapters. Their purpose is to foster high standards of scholarship, service, and citizenship on the part of students of California's public, private and charter junior high and middle schools. Its motto is "Scholarship for Service." St. Robert School joined on October 8, 2019.

Membership is based on a point system based on grades in the following academic classes: English, Math, Reading, Science, Spelling/Vocabulary, History, Religion, and Spanish. Students need a minimum of 16 points to earn membership for the trimester. Points are based on report card grades earned from the previous trimester.

Second trimester seventh graders and all eighth grade students are eligible to join. Membership is for the trimester only, but can be renewed every trimester. Students who are CJSF members for two trimesters in seventh grade and two trimesters in eighth grade will graduate with the CJSF Honor Medal.

CITIZENSHIP AWARD

Students in grades 5 - 8 who earn a 2 or above in effort and conduct in all subject areas are eligible for citizenship awards.

REPORT CARDS

Report cards are issued three times a year (*refer to the School Calendar for dates*). If a student is absent twenty or more school days during the report card period, grades may be withheld until the student makes up the work missed.

PROGRESS REPORTS

All parents of any student who is not meeting grade level expectations or earning a C- or below in any subject will receive a notification at the midterm of each trimester. Parents are asked to refer to the school Student Information System, School Speak, to review student grades. *(Please see Academic Probation and Academic Suspension.)*

PARENT/TEACHER CONFERENCES

Parent/Teacher Conferences are held in November after the first report card period or at the request of parent or teacher. Any questions or concerns relating to a student's work, progress, grades, or conduct should be discussed with the classroom teacher.

ABSENCES

Student absences must be reported to the school office by 9:00 A.M.. It is the responsibility of the student or parent to make arrangements to get all assignments when a student is absent.

Students in Junior High are responsible for meeting with each teacher, when he or she returns from an absence to ensure each student understands all instruction and assignments missed. Although it is the final decision of parents/guardians to take a student out of class for any reason other than illness, you are reminded that it is a school and Archdiocesan policy that the school is under no obligation to provide tutoring, make-up work or special testing schedules for such periods of absence. Generally, students will be given a reasonable period of time to make up assigned school work. An example of a reasonable period of time is that a student would be given one day to make up work if he or she were absent one day; two days, the student is given two days to make up work and etc. Students who are absent may not practice or play in any St. Robert Sport activity during their absences. **Studies have shown that students who frequently miss school instruction often perform poorly in school.**

PROMOTION/RETENTION

To successfully implement the educational program of St. Robert, minimum standards of achievement are established at each grade level. To illustrate successful completion of one grade level and to ensure promotion to the next grade level, it is necessary that these standards be met. Parents shall be made aware of the grade level expectations at Back-to-School Night. Copies of these are also available in the school office. Additionally, excessive absences over 45 days in a school year may result in a student being retained. The final responsibility for a student's promotion or retention rests with the teacher and the principal.

ACADEMIC PROBATION

The following infringements of school academic policy may warrant probation:

consistent negligence of assignments

failure to achieve potential in the required subjects due to indifference or insufficient study

failure to maintain a 2.0 overall grade point average and at least a C- in all academic subjects

The probationary period will last until the next Trimester report card. In the event of a serious offense, probation will be waived and suspension given automatically.

ACADEMIC SUSPENSION

Suspension will be automatic for those students who fail to improve during the probation period, which will last until the next Trimester report card. Students on academic suspension are ineligible to participate in all extracurricular activities, which include but are not limited to, St. Robert's sports.

WITHDRAWAL / TRANSFER / TERMINATION

The Administration may ask that a student be withdrawn from St. Robert if, in the opinion of the Administration, the student is not benefiting from the school program. As a last resort, a student's enrollment at St. Robert may be terminated for poor academic performance or lack of effort. All new students are accepted for a probationary period of one year. If at the end of the year, or at any time during the probationary period, a student's conduct, effort and/or grades are found to be unsatisfactory, or parents have failed to meet the conditions outlined in this Parent-Student Handbook or the signed Tuition Contract, the student's enrollment will be reviewed and, if deemed necessary, terminated.

III. DISCIPLINARY POLICIES

SCHOOL DISCIPLINE PHILOSOPHY

Discipline in the Catholic School is to be considered an aspect of moral guidance. The purpose of discipline is to promote genuine human development to assist the growth of self-discipline, to provide an orderly atmosphere conducive to learning and to promote character training.

The principal determines the policies of the school according to the needs of the parish, but always in accordance with the regulations of the San Francisco Archdiocese. It is the responsibility of the principal, faculty, students, and parents to maintain a spirit of discipline that is wholesome and reasonable throughout the school.

All concerns should first be addressed to the classroom teacher. If the situation is not remedied, contact the principal.

CODE OF CHRISTIAN CONDUCT COVERING STUDENTS AND PARENTS/GUARDIANS

The students' interest in receiving a quality, morally based education can best be served if students, parents and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an express condition of enrollment that all students behave in a manner, both on and off campus that is consistent with the Christian principles of the school as determined by the school. These principles include, but are not limited to, any policies, principles or procedures set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school. These principles include, but are not limited to, any policies, principles or procedures set forth in the student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of the school.

Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.

Students and parents/guardians will refrain from posting information regarding children, parents and school personnel on the internet, including social networking sites. This includes the posting of video from Saint Robert's events.

These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.)

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will first result in disciplinary action short of a requirement to withdraw from the school (e.g. suspension of student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.)

The school reserves the right to determine, at its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step short of withdrawal.

BEHAVIOR EXPECTATIONS

1. Students are expected to conduct themselves in a manner appropriate to the Christian and academic nature of the school. Respect for teachers, administrators, staff, visitors, and fellow students is expected.
2. Students are expected to participate in all academic activities and not disrupt the learning process.
3. Students are expected to respect the rights and property of others.
4. Students are expected to observe all rules of the school for their own security and that of others.
5. Students are expected to follow all classroom rules established by the teachers.
6. Students have primary responsibility for their actions and are expected to practice self-control.

7. Students are expected to maintain the environment of the school plant and grounds. Parents will be held responsible for any destruction of property by students.

GENERAL RULES

1. Students are expected to walk quietly in the corridors at all times.
2. Students are to be in complete school uniform each day, unless otherwise directed by their teachers.
3. Students are not to leave the school grounds during the school day unless signed out at the office by a parent or legal guardian, as indicated on the emergency form.
4. Taking care of school books, class materials is an important part of student training. School Books are to be covered at all times. If text or workbooks are lost or damaged it is the parent's responsibility to pay for replacement items.
5. Chewing gum and sunflower seeds are not permitted at school.
6. iPods, radios, gaming devices and other such electronic devices are not to be brought to school. These items will be confiscated from the students. Additionally, all cell phones must be turned off and deposited in the classroom phone box until the end of the school day. Any cell phone found with a student during the school day will be confiscated and given to the Principal. Parents will need to obtain any confiscated phone from the Principal.
7. Students are expected to use trash cans for litter and to keep our school litter free.
8. Bathrooms are not play areas, and they must be kept clean for others.
9. Water bottles and/or food are not permitted in the classroom during the school day, except during snack time, or by teacher designation.
10. Weapons—any objects, which might cause bodily and/or psychological harm (including toy guns, guns, knives, incendiary devices, or any items which may be construed as having the potential for harm, etc.) are forbidden and possession of such weapons is grounds for suspension/expulsion.

Since no list of norms can cover every situation, any inappropriate behavior unbecoming of a Christian student will be considered a violation of school rules.

A. INTRODUCTION

This document is designed to serve as a policy and teaching tool for the students in Archdiocesan schools. It serves as a tangible witness to the Catholic commitment to live, love, and respect as Jesus did. As indicated on the next page, student-to-student harassment can take many forms. To the extent it involves child abuse, as defined by law, Civil Law and the Archdiocesan Child Abuse Policy and Procedures, including the requirement to report the abuse to civil authorities.

B. HARASSMENT IN GENERAL

The Archdiocese of San Francisco affirms the Christian dignity of every student. Harassment is unacceptable conduct that is severe, pervasive and deliberate. Harassment occurs when an individual is subjected to treatment in a school environment which is hostile, offensive or intimidating because of the individual's race, creed, color, national origin, ancestry, physical or mental disability, medical condition, or sex. **Harassment of any student by any other students on or off campus is prohibited and will not be tolerated.** It is the policy of the Archdiocese to provide an educational environment in which all students are treated with respect and dignity.

C. SEXUAL HARASSMENT

Sexual Harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Sexual harassment can be directed toward a student under conditions such as the following:

Verbal Harassment: Sexually demeaning comments, sexual statements, questions, slurs, jokes, anecdotes, or epithets

Written Harassment: Suggestive or obscene letters, notes, or invitations; to include Email, text messaging, and any social media platform

Physical Harassment: Unkind, immoral and/or unlawful physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal study or movement

Visual Harassment: Leering, gesture, display of sexually suggestive objects
pictures, cartoons, or posters

D. DISCIPLINARY ACTION

1. This policy prohibits student-to-student sexual harassment whenever it is related to school activity or attendance and occurs at any time including, but not limited to, any of the following:
 - while on school grounds
 - while going to or coming from school
 - during the lunch period whether on or off campus
 - during, or while going to, or coming from, a school sponsored activity
 - during, or while going to, or coming from, an athletic activity
2. Any student who engages in the sexual harassment of another student is subject to disciplinary action up to and including verbal and /or written warnings and reprimands, counseling, suspension, and expulsion.

Note: Should substantiated conduct outside the school environment come to the attention of the school, this too may serve as grounds for discipline as students of Archdiocesan schools are expected to conform their lives to Christian principles at all times.

E. STUDENT'S RESPONSIBILITY

It is the student's responsibility to conduct himself or herself in a manner which contributes to a positive school environment. Students will not commit acts that injure, degrade, disgrace, or threaten the safety, privacy, and respect of other students, teachers, or staff members.

F. ADMINISTRATION'S RESPONSIBILITY

To promote an environment free of harassment, the Principal shall take appropriate actions such as removing vulgar or offending graffiti, establishing site rules, and providing staff in-service or student instruction and counseling. Teachers shall discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form

of harassment. The school will treat allegations of harassment in a prompt, professional, and thorough manner.

A complete copy of the comprehensive Policy Against Harassment, including the detailed policies on child abuse and student harassment, is available in the school office.

DETENTION

Students in grades 4-8 may be required to stay for detention after school for infractions against school policy and procedures. This includes incomplete work, violation of the general uniform rules and disciplinary problems. Parents will be notified in advance of the length of the detention and the date. Detention more than five times for repeated infraction will necessitate a parent/student/teacher conference.

DISCIPLINARY PROBATION

The following infringements of school policy may warrant probation and suspension:

1. abusive language and constant profanity
2. defacing school property
3. fighting
4. stealing or cheating
5. outward defiance to those in authority, lack of respect and courtesy to the principal, teachers, aides or those to whom authority has been delegated by the principal
6. possession or use of alcohol, tobacco, drugs, construed weapons, incendiary devices, or any item which could be detrimental to the student or to others
7. repeated infractions of school or class rules
8. immorality in talk, action or materials
9. conduct detrimental to the reputation of the school

Since no list of norms can cover every situation, any inappropriate behavior unbecoming of a Christian student will be considered a violation of school rules. The length of the probation period is the remainder of the current report card Trimester and the next report card Trimester. All students on disciplinary probation will be placed on a behavioral contract to include specific expectations and consequences. In the event of a serious offense, probation will be waived and suspension given automatically.

DISCIPLINARY SUSPENSION

Suspension will be automatic for those students who fail to improve during the probation period. A student may be suspended for any action or accusation during or after school hours if said action or accusation is, or could be, detrimental to the school. During a suspension, a student will be afforded an opportunity to do make-up work, including tests.

EXPULSION

Regarding expulsion, St. Robert follows the policy as outlined in the Archdiocesan Administrative Handbook, Section 5177. A student may be expelled from school for misconduct of a very serious nature calling for immediate dismissal without suspension, or for a repetition of conduct for which the student has been suspended one or more times. Prior to probation, suspension, or expulsion, the parent/guardian and the student will be made fully aware of the seriousness of and the reasons for the action.

WITHDRAWAL / TRANSFER / TERMINATION

The Administration may ask that a student be withdrawn from St. Robert if, in the opinion of the Administration, the student is not benefiting from the school program. As a last resort, a student's enrollment at St. Robert may be terminated for unacceptable conduct. Acceptance of all new incoming students is considered probationary for the first year, based on the above criteria.

TARDINESS

Students who arrive at school after 8:00 A.M. are considered tardy. Tardy students must enter through the front entrance and check in at the school office before going to class. Students who are tardy more than eight times in a Trimester will have their effort grade lowered to a 3.

Absences and Tardies (COVID-19 20-21 YEAR).

- Students must attend all classes on time during the day unless there is an excused absence.
- Tardies will be given for every class.
- Unexcused absences and tardiness generally affects the students progress and conduct grade in the curriculum.

Parents must call the St. Robert School Office and notify the student's teacher if their child is unable to attend class or school for either onsite or distance learning.

ABSENCES

At no time during the daily school session, including the recess and lunch periods, shall a student be allowed to leave the school grounds, except by previous arrangement with parent/guardian, and with the permission of the principal.

Parents are to call by 9:00 A.M. to inform the school of their child's absence. Upon returning to school, the student is to bring a written excuse stating the reason for the absence. These excuses must be dated and signed by a parent/guardian. They shall be kept on file until the close of the current year.

Early dismissal for medical or dental appointment may be granted when a written request is made by the parent/guardian in advance. Parents are urged to keep such requests to a

minimum and are encouraged to make arrangements for medical/dental care during vacation periods or after school hours.

If a student is to be dismissed early from school, the parent must come to the office to properly release the student and notify the teacher. We will not release any student to anyone other than parents or legal guardians as designated on school emergency forms without express written permission from parents/guardians.

The school office must be notified immediately whenever a student contracts a communicable disease so that exposure notes may be sent home to the parents of other students in the class. Please do not send a sick child to school. Children must be fever free for 24 hours before returning to school. We wish to protect others from infection.

ALTAR SERVERS

Boys and girls will learn to serve on the altar beginning in 6th grade. They will be notified when instruction begins. Being an altar server is a privilege, an honor, and a responsibility. Students are strongly encouraged to become altar servers.

AUTOMOBILE

Parents/guardians who drive children to and from school must let them out and pick them up in the lower parking lot or on the 1300 block of Crystal Springs only. Stop and go traffic in front of the school leads to hazards along the street for cars and children. Illegal double parking, blocking driveways, and jaywalking are hazards. **Please do not park on the 300 block of Oak Avenue for drop off or pick up.**

ARRIVAL: All Students are to be dropped off in the lower parking lot or on Crystal Springs by the rectory between 7:40 A.M. and 8:00 A.M. Please instruct students to have all of their belongings ready and exit from the right side of the auto. The flow of traffic must not be delayed. Right turn only into and out of the parking lot. Upon arrival, students are to remain in the middle yard. No ball playing or running is permitted in the yard before the morning bell.

DISMISSAL: All students are to be picked-up in the lower parking lot within 10 minutes after dismissal. Right turn only into and out of the parking lot. Students and parents are expected to

follow the directions of the crossing guards and adults on duty and to use the crosswalk, which begins at the stairs in the center of the lot and runs across its width.

Students who walk to or from school must cross Oak Ave. in the designated crosswalks. Those students who cross Crystal Springs Rd. must do so at Donner Ave. with the crossing guard. Parents are not to designate areas off of school grounds for student pick-up. Once students leave the school grounds, we cannot be responsible for their safety.

No students or other children are to run around or otherwise play in the parking lot area or hill at dismissal. Students and parents are to wait inside the coned-off area on the bench side of the lot, and not in the parking places across from the stairway. When crossing to parked cars, parents and students should always obey crossing guards at the crosswalk.

BIRTHDAYS

Simple treats for birthdays are allowed. Healthy snacks are definitely preferred. Please inform the teacher a day ahead of the birthday, so students and teachers will know they are having a snack. The treat should be delivered before school. No drinks, please. It is unacceptable to have singing telegrams, balloons, or the delivery of flowers to celebrate students' birthdays.

PARTY INVITATIONS

We ask that the feelings of all students be taken into account when party invitations are distributed. Unless the entire class (or just the boys or girls) is invited to a party, invitations may not be distributed at school.

COMMUNICATIONS

Teachers are willing to help with any school related concern. Parents are advised to call in advance for appointments. Please do not expect teachers to be available for "drop-in" conferences. At no time should a parent/guardian interrupt a teacher during school hours. Please do not call teachers at their homes or on their cell phones.

If an emergency arises, please call the school or see the principal. The principal is available to parents/guardians before school, during school hours, and after school. If it is a non-emergency issue, please call in advance for an appointment.

In an effort to keep parents informed of student progress, papers will be sent home on a regular basis. According to individual classroom policy, some papers will require parent signature and are to be returned to school.

No notices or communications are to be distributed or placed in class mail boxes without the approval of the principal.

COUNSELING

A guidance counselor is available to all students. We consider counseling a positive aspect of education. It is intended to help students, not punish them. Parents may request a form from the school if they wish their child to see the counselor. Teachers may also recommend students for counseling for academic or personal difficulties or for conflict resolution. The counselor also conducts conflict resolution sessions with classes if warranted.

EXTENSION PROGRAM

St. Robert Extension Program (Child Care) for before and after school care is offered to St. Robert students nearly every day that school is in session. See Section V for more information.

EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activities provide our students with additional opportunities to extend their knowledge and interact outside the regular curriculum. Activities are grade level appropriate and open to all students within each grade. Components of the extra-curricular program include religious, service oriented, social, academic, and athletic activities. At the discretion of the administration or faculty, students may be restricted from participation in extracurricular activities for poor academic performance or inappropriate conduct. See Parish Sports Handbook for specific information on athletics.

Field trips are a privilege, and students can be denied participation for failure to meet academic or behavioral requirements. The proper permission form must be submitted for participation in a field trip. Students who fail to submit the proper form will not be allowed to participate in the field trip. Telephone calls will not be accepted in lieu of proper forms. See Appendix for proper form. The number of parent chaperones needed for field trips, will be determined by the teacher. Chaperones must have completed "Shield the Vulnerable." No siblings or other guests may accompany classes on field trips.

Parents who volunteer to drive for field trips must follow teacher directives. Drivers may not stop for treats while en route to or from field trips. Drivers must fill-out the proper forms for field trips. These forms and a copy of the driver's license and proof of insurance must be given to the teacher.

Parents are welcome to attend. Students must wear the formal uniform for Mass - skirt/jumper for girls, long pants for boys, and a sweater or sweatshirt with white polo or blouse depending on grade. Additionally, students are expected to attend Sunday Mass with their families to further develop their religious faith.

MEDICATION

Students may not bring any form of prescription or non-prescription medication to school to include aspirin (of any type), cough medicine or cough drops, antibiotics, etc. The only exception is an asthma inhaler, which may be kept in a backpack in the classroom.. If students require any medication during school time, the medication must be kept in the school office and must be

accompanied by the Archdiocesan permission form. These forms are available in the school office. Without the Archdiocesan permission form, medication may only be administered to students by their parents.

MESSAGES

Unless it is an emergency, the school cannot be responsible for delivery of messages to students. Forgotten homework/books, or different parent picking up, is not an emergency.

NON-CUSTODIAL PARENT

St. Robert abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to honor arrangements that have not been made known.

OUTDOOR EDUCATION PROGRAM

The sixth grade students participate in an Outdoor Education Program sponsored by CYO Caritas Creek. Students travel by bus to Caritas Creek in Occidental to participate in instruction and outdoor activities for one week. The date of this program is prearranged according to availability of the campsite and in conjunction with CYO Camp Caritas Creek and St. Robert School calendar. The sixth grade teacher travels to Caritas Creek to be with the students.

Any chaperone participating in the OEP must have completed the "Shield the Vulnerable" program applicable for overnight programs. Fingerprinting is part of this program.

Cost for this program is the responsibility of the parents. Students beginning in January of their fifth grade year until December of their sixth grade year are responsible with their parents for the donut sales after the 9:30 Sunday mass. Participation in donut sales is a requirement for attending Outdoor Education, when safely possible.

PARENTAL COOPERATION

Parent cooperation and support in religious formation, financial obligations, academic, and disciplinary matters is essential for the welfare of the students. If, in the opinion of the Administration, lack of parental cooperation seriously interferes with the teaching/learning process, the school may require parents to withdraw their child/children and sever the relationship with the school.

PROPERTY

Please encourage your children to respect all property. Parents/guardians will be liable for any damage done by their children to school and/or parish property. Any damage or possible hazard should be reported immediately to the principal.

ROOM PARENTS

Room parents are under the direction of the principal. Room parents are expected to assist in field trips, as requested by the teacher, to take responsibility for class parties, to provide class pictures for the yearbook, and assist administration preparing for Catholic Schools Week. Please remember that all written communications home needs to be sent to the Principal as well. In addition, all fund raising activities need to be approved by the Principal and the Pastor.

V. EXTENSION PROGRAM HANDBOOK

St. Robert Extension Program is temporarily suspended during remote learning.

St. Robert Extension Program provides before and after school care for regularly enrolled students. It is staffed by school personnel, serves only the children enrolled at the school and operates only on days when school is in session.

Organizational Structure

The Extended Care Program is part of the total school program. It is therefore under the supervision of the school Principal and its finances are cleared through the school's financial account. Extended Care Programs are to be set up so that all the expenses are covered by the income of the program. Fees are the sole support of the St. Robert Extension Program. It is not subsidized by the school or parish. The Director of the program and all other program personnel are to be hired by the principal.

Philosophy and Goals

The Extension Program provides professional care, supervision, recreation, and enrichment activities. It serves working families who desire both parochial school education and supplementary day care in a Christian environment for children enrolled at St. Robert School in grades kindergarten through eight.

This professionally operated program allows children to experience a diversity of activities planned to complement the philosophy and value systems of the school and family. Arts and craft projects, games, and recreation, rest for the younger children, and snack time are just a few of the program components. Additionally, there is time set aside for student led homework completion. It is the child's responsibility to acknowledge his/her assignment. The Extension Staff has no way of knowing what work, if any, has been assigned to students.

Within a large family environment, the program strives to provide individual attention, security, consistency, and fair treatment of children of working parents. The Extension Program is staffed by an experienced Director and devoted, committed aides. These people, employed on a full-

time or part-time basis, work together to help each child grow in maturity and self-respect, as well as to maintain an atmosphere wherein respect and understanding for others is realized.

IMPORTANT PARENTAL RESPONSIBILITIES

Emergency/Safety

With the children's safety and well being in mind, it is most important that the parent keep their School Speak information current with pertinent registration, health, and emergency forms and then adhere to the instructions given.

Whenever a child arrives or leaves the Extension Program, he or she must be signed in and out by an authorized adult. Parents or guardians may not take children from the schoolyard or other areas without first notifying the Extension Program staff and signing the child out. No child will be released to anyone who is not listed on the emergency form unless the parent has given special written permission.

With the exception of Children's Choir, or Chess, there are no "in/out" privileges. Once students leave the school premises, they may not return for extended care.

Fees and Pick Ups

Parents are responsible for fee payment and prompt pick up of students. As previously mentioned, the Program is entirely financed by its fees. Regular and prompt payment will assure the continuation of personnel and the provision of ample supplies, equipment, and snacks.

If a parent or guardian fails to meet the Extension Program fee payment due by the first week of each month, and arrangements have not been made with the Director, the child will not be allowed to continue in the program. Payments made after the 15th of each month will incur a \$10 late charge.

Staff members are employed only until 6:00 P.M. It is only common courtesy to respect the time of closure. A substantial fee will be assessed for late pick-ups.

SPECIAL PROVISIONS AND PROCEDURES

Illness or Accident

In cases which appear to be of a minor nature, First Aid will be administered on the premises. In cases which appear serious, the Program Director will make an effort to carry out the instructions as given on the emergency form.

Parents are expected to make provisions for taking sick children home. The Extension Program does not have facilities for children who are ill or for transportation of children.

Homework

Each day a homework period is scheduled. It is the child's responsibility to acknowledge his/her assignment. The Extension Staff has no way of knowing what work, if any, has been assigned to students.

Expectations for Children's Behavior

As members of a Christian and caring community, the children will be expected to respect the staff, each other, and the materials and environment provided. Students are expected to show respect for and to the directions of the Extended Care staff at all times. Students are expected to be courteous and respectful to one another. Inappropriate behavior such as fighting, obscene language or gestures, continued willful disobedience, or defacing of property, may result in a student being dismissed from the program. No iPads or cellphones are to be used during extension.

Extended Care behavioral expectations and procedures are consistent with those of the school. Parents will be notified in writing of recurring behavioral problems and fair warning must be given when contemplating dismissing a child from the program.

There is a non-refundable Registration Fee of \$30.00 per child or \$55.00 per family.

Please reference communication for modified schedule during special ½ days.

ST. ROBERT SCHOOL
POLICY AND PARENT/STUDENT CONTRACT PERTAINING TO
THE ACCEPTABLE USE OF TECHNOLOGY
GENERAL POLICY

St. Robert School strongly believes in the educational value of technology and recognizes that electronic services have the potential to support curriculum and student learning. The goal for such services is to promote educational excellence by facilitating resource sharing, innovation, and communication. St. Robert School will make every reasonable effort to protect students, teachers and staff members from any misuse or abuse through technology in or out of school. However, users may encounter material that is controversial and which users, parents, teachers or administrators may consider inappropriate or offensive. On a global network it is virtually impossible to effectively control the content of data and it is the user's responsibility not to initiate access to such material. St. Robert School will designate a member of the professional staff to serve as system administrator.

CONTRACT

Please read this document carefully. When the parental agreement is signed by you (the user) and your parent /guardian, it becomes a legally binding contract.

Listed below are the provisions of this contract. If any user violates these provisions, access to the information service may be denied and the user may be subject to disciplinary action. The use of the information system is a privilege and not a right. Inappropriate use of technology may result in cancellation of those privileges and further disciplinary action.. The administration of St. Robert School may require that the System Administrator deny, revoke or suspend use to students who have violated these privileges. The school administration will decide what is appropriate use and their decision is final.

Unacceptable conduct and/or illegal interaction with technology that includes information service is strictly prohibited. This includes but is not limited to such actions as:

- Using the network for any illegal activity, including violation of copyright or other contracts
- Use of the information services for commercial activities for profit or product advertising
- Degrading or disrupting equipment or system performance
- Vandalizing the data of another user
- Wastefully using finite resources
- Gaining unauthorized access to resources or entities
- Invading the privacy of individuals
- Using an account owned by another user without authorization
- Posting personal communications without the author's consent
- Posting anonymous messages

Placing unlawful information on a system

Political lobbying

Any other use which would violate the policies of St. Robert School concerning proper student conduct and/or which would violate the teachings of the Roman Catholic Church.

Any user who is uncertain as to whether a particular proposed use is inappropriate shall make prior inquiry with the System Administrator.

1. **Personal Responsibility.** I will accept responsibility for reporting any misuse of the computers or related equipment to the adult in charge. Misuse includes but is not limited to vandalism, theft and any message(s) sent or received that indicate or suggest pornography, unethical or illegal solicitation, racism, sexism, or inappropriate language.

2. **Acceptable Use.** The purpose of providing access to electronic resources is to support classroom instruction and educational research. The use of the electronic services must be in support of classroom directed activities and consistent with the adopted curriculum and educational objectives of St. Robert School.

3. **Netiquette.** You are expected to abide by the generally accepted rules of network etiquette. These rules include (but are not limited to) the following:

- a. BE POLITE.
- b. USE APPROPRIATE LANGUAGE.
- c. PRIVACY. Do not reveal any personal information, your home address or personal phone numbers or those of students or colleagues.
- d. DISRUPTIONS. Do not use the network in any way that would disrupt the use of the network by others. Do not tie up the network with idle activities, play interactive games or download huge files.

4. **Services.** St. Robert School makes no warranties of any kind, whether expressed or implied, for the service it is providing, nor will it be responsible for any damages suffered while on this system. These damages include loss of data as a result of delays, non-deliveries, mis-deliveries, or service interruptions caused by the system or your errors or omissions. Use of any information obtained via the information system is at your own risk. St. Robert School specifically denies any responsibility for the accuracy of information obtained through Internet electronic information services.

5. **Security.** Security on any computer system is a high priority because there are so many users. If you identify a security problem, notify the System Administrator at once. Never demonstrate the problem to

other users. Any user identified as a security risk will be denied access to the information system. **SAINT ROBERT SCHOOL RESERVES THE RIGHT TO INSPECT ANY USER FILES AT ANY TIME.**

6. **Vandalism.** Vandalism is defined as any malicious attempt to harm or destroy data of another user or any other agencies or networks that are connected to the system. This includes, but is not limited to, altering files and the uploading or creation of computer viruses. Any vandalism will result in the loss of computer services and disciplinary action as outlined in the student handbook.

St. Robert School has a Christian Code of Conduct for all students that details appropriate behavior, outlines the rights and sets expectations for students. The school's discipline policy applies to the use of technology by St. Robert Students at all times. Therefore, this technology contract is an extension of the school's Christian Code of Conduct and the Parent/Student Handbook.

SCHOOL COUNSELING RELEASE FORM

1. Psychological and Educational Information: I understand that counseling services offered through the School, if any, are primarily short-term, temporary services aimed at the more effective education and socialization of my child within the school community, and to provide the means for teachers and the School Administration to serve my child and the school community more effectively. These services may involve the individual participation of my child, or the participation of my child in conjunction with family, teacher(s) and /or the School Administration. I understand that these services are not intended as a substitute for emergency psychological intervention, nor do they take the place of permanent, long-term, or comprehensive psychological counseling, therapy or medication, which are not the responsibility of the School. I acknowledge that it is my sole responsibility to determine whether additional or different services are necessary, and whether to seek them for my child. I hereby give my consent for my child to receive counseling services through the School on these terms.

Because these School Counseling Services are primarily intended to serve my child as a member of the school community, in addition to circumstances otherwise allowed or required by law I authorize the counselor, in his or her discretion, to share any information, diagnosis or recommendation derived from these services, and only such information, with me or another parent or legal guardian of my child, my child's teacher(s), the school principal or other school administrators. CHILDREN WITH DISABILITIES RELEASE FORM

1. **Children with Disabilities:** I understand that the school is not legally obligated to accept children with disabilities nor does it have the same level of funding for personnel, equipment, and other resources that may be available to private and/or government supported institutions to care for individuals with disabilities. I understand and agree that the School will try, but in fact may fail in its attempt to adhere to the special needs and circumstances pertaining to my child, and I specifically agree to assume the risk that the school may fail in its attempt, including but not limited to, its attempts to provide proper supervision and/or prevent classroom/playground bumps, falls, and other incidental contact and/or any related cuts, scrapes, etc. I also understand that any special accommodations or programs that may be made for my child or other children may be discontinued at the discretion of the School administration.

If I have indicated that my child has a disability, in consideration of my child's enrollment in the school I authorize the school to perform whatever tasks and to impose whatever conditions the school deems in the best interests and safety of my child, including limitations on activities, or provision of special activities or supervision, and I authorize the school personnel and administration to gather, use and disseminate to other school personnel information concerning my child's disability as is reasonably necessary to further the education of my child and the efficient operation of the school community.

I hereby release and discharge The Roman Catholic Archbishop of San Francisco, a Corporation Sole (Archdiocese) and its constituent organizations, including but not limited to Saint Robert Catholic School, and their officers, agents and employees from any and all claims for personal injuries or property damage that I or my child may suffer while my child is enrolled at the school which arise out of or relate to my child's physical condition and the school's oversight of that condition, whether or not such injuries or damage are caused by the negligence (whether active or passive) of Archdiocese, excepting only such injuries or damage resulting from Archdiocese's willful misconduct.
