SUGAR CREEK CHARTER SCHOOL

"Where strong minds and strong character are valued and nurtured."

SCHOOL PROFILE

2020 - 2021

OUR MISSION

The mission of Sugar Creek Charter School is to eradicate generational poverty by providing a college and career preparatory education from Kindergarten to 12th grade.

OUR SCHOOL STORY

Sugar Creek Charter School (SCCS) is an urban K-12, college and career preparatory school serving over 1600 students collectively. Initially opening in 1999 as a K-8 school, SCCS has offered a highly-structured curriculum that sets high expectations, and provides individualized monitoring to assist students in attaining ambitious goals for achievement. After much consideration, SCCS decided to expand the academic program to include high school curriculum. In August 2014, the SCCS High School was opened and one year later, acquired a new property at 7821 Old Concord Rd, Charlotte, NC 28213, making SCCS one school with two locations. We are a "closed" high school meaning that we accept only students who have attended SCCS in the 8th grade. Currently serving 9th through 12th grade, the first graduating class celebrated its commencement in June 2018. We offer Honors and AP Level Courses as well as college level courses through College and Career Promise Program at Central Piedmont Community College.

SCCHS GRADUATION REQUIREMENTS

STUDENT EXTERNAL OPPORTUNITIES (SEOS)

Sugar Creek Charter School believes that classroom discussions and planning are not enough to prepare students for college and life. Students need to be exposed to enriching opportunities outside of the classroom to aid in the development of a well thought out life plan. There is no better way to know if something is for you than to experience it first-hand. Over the course of their high school careers, students will participate in various opportunities for community service and outreach projects, job shadowing, and pre-college leadership programs. 270 completed hours are required for SCCS graduation.

SEOs include but are not limited to:

- ▶ Pre-College Programs
- ▶ Student Employment
- ▶ Internships/Work Shadowing
- ▶ Leadership Programs
- ▶ Peer Tutoring
- ▶ Dual Enrollment
