Absence Policy

Tardy and absence policies are covered in the student handbook. It is important that students are on time and present so they do not miss any classroom activities.

Absent students are responsible for all missed work. Due dates for absent work will be set with the teacher upon the student's arrival back at school. It is the student's responsibility to collect absent work from the teacher the day they return to school.

Long-term assignments will not have their due date changed due to an absence. Assignments due on the day a student is absent are due to be turned in immediately upon the student's arrival back at school.

Work Policy

All assignments are expected to be turned in on the due date completed and following all given directions

Assignments submitted late, incomplete, or not following directions will face point deductions

After 3 days, the assignment will not be accepted

After we have completed the unit, the grade will remain a 0% and cannot be made up or changed
