

Hi! We are the Carrillo Family,

Our son is in third grade and has attended St. Patrick Academy (SPA) since kindergarten. We're excited to share how much we love SPA. We knew our son was going to struggle with school so when we learned about the Learning Center at SPA, we were sold. Every year, we have worked with his teachers to ensure he is receiving the resources and tools necessary to be successful in school. We have always felt supported and as part of a team. We are grateful that our son is able to receive an excellent education filled with faith, values, and excellent academics.
