

# Scrip Fundraising Program Overview and FAQ

Let us introduce you to the Holy Spirit Scrip Fundraising Program! Scrip plays a very important role in our fundraising each school year and provides revenue by means of our EVERY DAY SHOPPING! It does not require any additional spending or donations as it is the merchants who are providing donations. We simply need to change the WAY we shop in order for HSPS to receive the donations.

There are four main options for participating in Scrip fundraising.

1. **RaiseRight App/Shopwithscrip**—Shop gift cards from more than 750 top brands right from your phone. **Go to [raiserright.com](https://raiserright.com) and enroll with our code: 9L99F7519L1L.**
2. **Nugget Market Community Scrip** —Stop by the school office to get one or more Nugget cards for FREE. Register them online and start earning 4% of your Nugget purchases for HSPS just by presenting your card at the time of purchase.
3. **eScrip at Sacramento Natural Foods**—4% of your purchase will be donated to HSPS. **Sign-up at [escrip.com](https://escrip.com); group name Holy Spirit Parish School; Group ID 6605059.**

Our Scrip fundraising year begins April 1 to coincide with school registration and ends March 31. Each family is required to purchase \$2000 worth of Scrip each year. If families choose to bypass this obligation, they may increase their registration fee by an additional \$500 each year in lieu of participating.

Our school goal is to raise \$20,000 or more annually with the Scrip program, which is easy to do if we all participate!

**Please direct any questions about the Scrip program to:**

**Allison Wynn, Scrip co-chair**  
**[aligowally@sbcglobal.net](mailto:aligowally@sbcglobal.net) or 916-541-7919 (text)**

**Molly Altieri, Scrip co-chair**  
**[maltieri24@yahoo.com](mailto:maltieri24@yahoo.com) or 916-204-1001 (text)**

**The Scrip Fundraising Program provides needed resources to the school for the education of your child.**  
**We thank you for your efforts to make the program a success!**

## MORE PROGRAM DETAILS

### RaiseRight App/Shopwithscrip

RaiseRight is the mobile app if you like to do everything on your phone. Shopwithscrip is the website if you prefer to sit at a desktop or on a laptop. Both links access the same program. Go to [shopwithscrip.com](https://shopwithscrip.com) or visit the App Store or Google Play to download the Raise Right Mobile app and create an account. Register for an account using Holy Spirit's enrollment code: 9L99F7519L1L. You will need to submit your registration electronically for approval, and establish a payment account that is linked to your bank account or credit card. Gift cards and e-gift cards are available from hundreds of retailers.

### Electronic and Reloadable cards

Most retailers offer e-gift cards through either the app or website. Many physical cards, such as Arco, can be reloaded electronically once you purchase them. Please see app or website for description. It is super convenient to purchase and store e-cards right on the app.

### Gift cards

Some stores, such as Raley's, still require traditional physical gift cards. Some physical gift cards may be delivered directly to your home (see details on the website or app for list of stores), others will only deliver directly to the school (such as Sprouts and Chipotle). For "ship to school only" cards, we bulk order three times a year in September, December, and March. Be sure to submit your order if you are interested in these stores as this is the only time they can be ordered.

### Nugget Market Community Scrip

When shopping at Nugget use your card the same as any loyalty card. Your purchases will be reported directly to Holy Spirit Parish School. Contributions are tiered so the more purchases recorded through your cards, the greater percentage contributed to HSPS. Cards can also be sent home from school with your child on request.

### eScrip Program

If you like to shop at Sacramento Natural Foods Co-op you can earn fundraising dollars through eScrip. Contact the Scrip Chairs to sign up.
