Baptismal Preparation Information

(for Parents & Godparents)

For any child younger than 7 years old, parents and godparents are required to attend a Baptismal Preparation Class prior to scheduling their child's baptism.

Infant Baptism celebrates the saving faith already transforming the lives of the parents and the community—a faith that will be shared, by word and by example, with the newly baptized infants as they grow into responsible young adults. This program is designed to deepen the parents' personal faith, so they can assist the fruits of the Sacrament to come to realization as the child matures. Families learn about the Sacrament of Baptism, including its history, symbols and scriptural background.

The church expects that Godparents will be practicing, active members of a Catholic parish community. Godparents will need to present a letter from their pastor attesting that they Catholics in good standing*, eligible to serve as a Godparent.

Parents may attend classes prior to the birth of their child. Parents and /or godparents may attend baptismal preparation class at any other parish of their choice (verification required).

Normally, any person over the age of 7 who wishes to be baptized will be required to participate in the RCIA process, as they are considered to have reached the age of reason. Call Gary Niemerg, Director of Religious Education 719-633-1457x15 for information on classes
