### Fruit of the Month: Patience

Wait for the Lord: be strong and let your heart take courage. Patience is a struggle for all of us. We want what we want when we want it. However, God has a plan for each of us and desires to bless us with His best. However, we often settle. Let us not settle for less. Be patient and wait on the Lord.

**Bible Verse: Be completely humble and gentle; be patient, bearing with one another in love. Ephesians 4:2**
