Message from the Board of Directors

On behalf of the Board of Directors, I want to thank you for your interest, commitment and support to the students, faculty and staff of Cristo Rey High School Sacramento. It's amazing to think how far this school has come in the twelve years since starting in Sacramento. The drive and dedication of these students to graduate with the goal of attending college is inspiring and is matched by the efforts of so many within the Cristo Rey community.

Cristo Rey High School is known as The School That Works. This school works as a result of the dedicated faculty, staff, volunteers, work-study sponsors, generous donors and the commitment of the Board of Directors and committee members. These groups are focused on the mission of transforming lives by providing students with limited financial resources access to a Catholic, college preparatory education and professional work experience.

This past year Cristo Rey High School Sacramento graduated the largest senior class in its history and is nearing its goal of 400 enrolled students. The school is in the final stages of completing the sports and athletic complex thanks to the generosity of so many. This past spring, our most successful Scholarship Dinner was highlighted with the dedication of the Sr. Eileen Enright Scholarship Fund. This Fund will help families meet the commitment it takes to send their children to Cristo Rey.

The Board of Directors welcomes five new board members this year with the addition of Matt Jaime, Tim Lien, Gloria Naify, Gary Sparks and Peter Tateishi. Each of these new board members has been active supporters of Cristo Rey High School in varied capacities and we welcome their experience and commitment to the Board.

Cristo Rey High School works because of all of you. We thank you for your support and generosity. Together, we are changing the future for our students.

- Paul McClure

Board Chair, Cristo Rey High School Sacramento

Message from the President

Thank you! It seems most appropriate to begin my introduction with a sincere expression of my gratitude. It is truly an honor and a privilege to join the Cristo Rey Sacramento family at such an amazing time in our short history. In addition to my gratitude to each of you as supporters of Cristo Rey, I am also most grateful to Sr. Eileen for her efforts to lead this grand transformation and hand me the reigns with so much positive momentum. I am also very grateful to the Board for entrusting me with the responsibility of leading Cristo Rey's next chapter in Sacramento.

In 2008 my wife, Susan, and I visited the Cristo Rey campus on McMahon Drive for an Open House, and I immediately felt a connection and a call to the Mission of Cristo Rey. I left that event, and said to Susan, "Someday I want to open a Cristo Rey High School." God is so good, ten years later, here I am. I have learned to trust God, His plan, His time, not my plan and my time. God opens the door, He invites, we must be listening, we must be ready to answer.

The same is true for the students we serve. Cristo Rey students have heard the call, they have taken the risk to say "yes!" What a blessing it is for each of us to have the opportunity to serve our students leading to a path full of hope and opportunity. Cristo Rey Sacramento is transforming the lives of the young women and men who choose to break the cycle of poverty and seek a college preparatory education. These future leaders will successfully navigate the collegiate experience, return home to Sacramento to work and serve this community.

I invite you to join with me as we advance the mission of Cristo Rey Sacramento!

- Dave Perry
President, Cristo Rey High School Sacramento

MISSION STATEMENT OF CRISTO REY SACRAMENTO

Cristo Rey Sacramento, rooted in the traditions of the Sisters of Mercy and the Society of Jesus (Jesuits) transforms lives by providing a Catholic, college preparatory education and professional work experience to high school students with limited financial resources.

Steve Roberson, EdD
Assistant Principal

Mr. Devin Triplett
Director of Curriculum

Mrs. Debbie Woodford
Director of Work-Study Program

George, Class of 2020

My name is George and I will graduate Cristo Rey in 2020. Cristo Rey has opened me to a world of opportunity preparing me for college every day in all my classes. I aspire to be a neurosurgeon and my dream university is Stanford in which I want to major in Psychology. At Cristo Rey, I participate in the athletics program running both Cross Country and Track and Field, last year as a team captain. I also participate in Mathletes and am joining this year's new Key Club. Cristo Rey makes me excited every day to continue my education. With such an emphasis on college and community, I understand the importance of education in serving my community. While personally I have the passion for success, I lacked direction to which Cristo Rey provided me. Thank you Cristo Rey and especially all those who support this school: Work-Study sponsors, donors and friends of Cristo Rey.

Andrea, Class of 2019

My name is Andrea and I will graduate with the Class of 2019. I will be the second in my family to graduate high school and attend a university. My older sister, Marina, was a Cristo Rey graduate in 2016; she is currently studying at Pepperdine University. I plan to apply to universities in California and out of state. I will major in special education because I want to help students with disabilities reach their fullest potential. My extracurricular activities include: Ambassador President's Circle, and La Raza Unida. My personal major accomplishment is my growth as a student and member of this community. In Cristo Rey, the teachers make the classroom an environment where everyone's voice is heard and no student is left behind. I believe in the Cristo Rey mission, but it takes more than teachers, staff, and students to make Cristo Rey High School a reality. Thank you to our Work-Study sponsors, donors, and friends for contributing to every student's future and success.

Maya, Class of 2020

My name is Maya and I will graduate Cristo Rey in 2020. My plan is to study at either UC Davis or Sacramento State University and pursue medicine. I currently participate in Volleyball, Student Ministry and am a member of the Ambassador President's Circle. Some of my accomplishments that I have achieved because of my time at Cristo Rey are public speaking skills and juggling multiple internships which give me experience for my future successes. I feel prepared for college as Cristo Rey has taught me how to study while working at the same time. Cristo Rey also has shown me how to grow as a person. I'd like to thank our Work-Study sponsors for their support of our school.

Kenya, Class of 2019

My name is Kenya, I'm 17 years old, and I will graduate from Cristo Rey in 2019. I'm the second youngest of four and I'll be the first to attend college in my family. I would like to attend Stanford University or UC Davis. I plan on majoring in biology and then going into med school to become an OB/GYN. I am involved in numerous activities at Cristo Rey: Yearbook, Ambassadors, Student Government (President), La Raza Unida, Ambassador's President Circle, and Student Ministry. I also am on the volleyball and soccer teams. I've really accomplished a lot, thanks to everything that Cristo Rey has given me; it isn't often that someone my age can say that they have worked at a law firm and a hospital. Thank you, to all the Work-Study sponsors, donors and friends of Cristo Rey for giving opportunities and hope to students like me.

Christian, Class of 2020

My name is Christian and I will graduate Cristo Rey in 2020. I will be the second in my family to graduate high school and go off to college. I am interested in medicine and hope to study at UC Berkeley and major in Biology. I am active in many clubs on campus such as: Student Government (Vice President), La Raza Unida, Society of Hispanic Professional Engineers, and Campus Ministry. This summer I had the opportunity to attend the Stanford Medical Youth Science Program (SMYSP), a five week residential summer program for low-income and minority students. SMYSP was an amazing opportunity, not only because it gave me a chance to see what the medical field really will be like. We took part in labs, college workshops, hospital internships, research projects, and much more. I would like to thank all Work-Study sponsors, donors, and friends for their generous support to Cristo Rey Sacramento.

Leyla, Class of 2021

Hi, my name is Leyla and I am 15 years old and I will graduate in 2021. I'd like to attend either UC Santa Cruz or Sacramento State University and major in Biology and minor in Physiology, Geriatrics, or Recreation. I truly love my school. At school, I participate in the Pacific Islander Club and Anime Club. At Cristo Rey, I have learned many skills including organization, and the importance of going to college. I want to thank Work-Study sponsors, donors, and friends of Cristo Rey for their support. Lastly, Cristo Rey has shaped me to be the best version of myself that I can be, and for that, I am grateful.

Jeremy, Class of 2021

My name is Jeremy and I am fifteen years old and I will graduate from Cristo Rey in 2021. I will be the second to graduate high school in my family. My sister graduated Cristo Rey when I was freshmen and is now attending Sac State. I would like to go to Sacramento State, UCLA, or University of San Francisco for college. This year, I signed up for Gardening Club and Yearbook Club. I am also an Honor Roll student. I look forward to my years ahead at college. I would like to thank our Work-Study sponsors, donors and friends of Cristo Rey. My success story is because of their faith in the Cristo Rey mission.

Carlos Perez, Class of 2011

My name is Carlos A. Perez. I attended Cristo Rey High School Sacramento beginning my freshman year in 2008 and graduated in 2011. After graduating from high school, I attended Sacramento City College from 2011 to 2014 where I obtained an Associate Degree in Sociology and an Associate Degree in Administration of Justice. Shortly after, I transferred to Sacramento State University where I attended from 2015 to 2017, obtaining my Bachelor Degree in Criminal Justice. My biggest achievement thus far was my recent acceptance into Lincoln Law School, something I had dreamed of doing ever since I was an adolescent. These accomplishments were a joyous moment for me and my family as I was the first in my family to graduate from college, reaching certain educational heights, but none were

prouder than my mother. Seven years later, I am currently working for Lewis Brisbois Bisgaard & Smith, one of the nation's leading law offices as a records clerk. If it were not for Cristo Rey High School, I might not have had the character, work ethic, and professionalism needed to pursue my dreams. I would like to thank all those who encouraged and guided me while at Cristo Rey.

Luis Villagran, Class of 2013

My Name is Luis Villagran from Class of 2013. I graduated as Salutatorian of my class and decided to attend Sacramento State to study Mechanical Engineering. While attending college, I worked for Enterprise, the same company that Cristo Rey gave me the opportunity to work for while in high school. I am proud to share that I graduated college in May of 2018, not only because it's a big achievement, but because I am the first person in my family to do so in the United States. Coming from a low-income family, Cristo Rey opened a world of opportunities for me and guided me to become the person that I am today. I will be starting a new stage in my life now that I graduated college, but I will never forget where I came from and how I got here. Cristo Rey is growing and will keep growing to help students like me have the tools and opportunities to achieve a higher level of education. I am happy to be a successful story of Cristo Rey's mission and I hope to inspire people like me to do the same.

Claudia Mendoza, Class of 2013

My name is Claudia Mendoza -Perez. I graduated from Cristo Rey in 2013. I have three brothers and I am the second to graduate high school and a four-year university in my family. I graduated in December 2016 from Holy Names University, located in Oakland, California, and earned my Bachelor's degree in Business with a double concentration in International Business and Management. During my sophomore year of college I traveled to Oaxaca, Mexico and learned more in depth about their indigenous history, religion, art and culture. My time in Oaxaca was very eye opening and I learned to value all the commodities that we take for granted every day. I was also a member of the Model United Nations Club and represented Holy Names University at the Model United Nations Far West Conference in Burlingame, California where I performed as a delegate from a country and had to debate on critical issues on the country I was representing. I am privileged to work for the Office of the Secretary of the Senate as a Legislative Clerk. My journey in the Senate began my sophomore year of high school when I was placed to intern for the Office of the Secretary of the Senate through Cristo Rey's Work-Study Program.

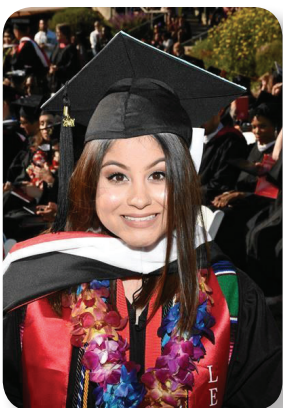

I returned to the Senate for the remainder of my high school years and was fortunate to intern during the summers while attending Holy Names University. I accepted the position of Legislative Clerk in 2017.

Ramon Sanchez, Class of 2010

My name is Ramon Sanchez and I graduated from Cristo Rey Sacramento in 2010. I attended Sacramento State where I graduated with a B.S. in Criminal Justice in 2015. Graduating from college was a major accomplishment in my life. I have been blessed with countless opportunities that have allowed me to excel in my career. I largely attribute the successes in both my academics and work life to Cristo Rey Sacramento. The quality education I received in Cristo Rey's Work-Study Program provided me with the knowledge and skills necessary to succeed. Even during my time in college, it allowed me to be competitive and obtain employment while attending school. I am proud to be an alumni of Cristo Rey as I have witnessed firsthand how motivation coupled with opportunity can have a positive impact on someone's life. I am presently working for the California Department of Justice, where I conduct background investigations.

Franny Zabala, Class of 2013

My name is Francisca Peñaflor Zabala. I started Cristo Rey High School in 2009 and graduated in 2013. I am the oldest of five siblings and the first in my family to graduate from high school and from a university. I graduated Summa Cum Laude in May 2017 from Holy Names University where I earned a B.A. in International Relations and a minor in Business. In my junior year at Holy Names University, I was one of ten students who won the Rome Prize, a free three-week intensive study abroad in Italy for students who come from low-financial families. I was the Secretary for the Model United Nations Club and represented my university at the Model United Nations of the Far West Conference in Burlingame, California. Because of my Catholic education, I learned from a very young age the value of helping others. During my senior year of college, I traveled to Tutwiler, Mississippi, where I volunteered for Habitat for Humanity. Cristo Rey placed me at the State Capitol to work for the Office of the Secretary of the Senate in my sophomore year of high school. I joined the Office of the Secretary of the Senate's family in May 2017.

Joseph Rosales, Class of 2012

My name is Joseph Rosales and I graduated from Cristo Rey Sacramento in 2012. After Cristo Rey, I was accepted into the 3+3 accelerated Pre-Pharmacy program at the University of the Pacific in Stockton, Ca. I finished my undergrad in 2016 and then began my postgrad at Thomas J. Long School of Pharmacy where I'm in the final year of the program. At the moment, I'm working as a pharmacy intern at Travis Air Force Base and for the next year I will be working at different pharmacies in the Fairfield area. I believe that one of the largest reasons I am where I am today can be attributed to the work opportunities that CRHSS provided to me. As a freshman I was unsure of what I really wanted to do after high school, but the work program gave me the chance to experience multiple areas of the workforce and find what really fit me.

Rosa Munoz, Class of 2010

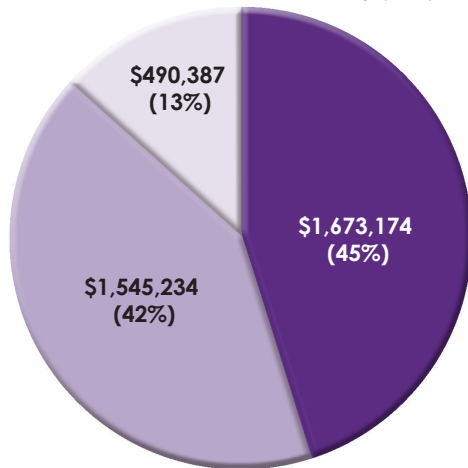

My name is Rosa Muñoz. I attended CRHSS from 2006-2010. I was part of the first graduating class of 2010. I was the first in my family to graduate high school. I attended California State University, Sacramento and graduated in May 2017 with a Bachelor's of Science in Speech-Language Pathology. I am proud to say I am the first in my family to graduate college.

I currently work as a Bilingual Coordinator for Matsuyma Elementary School in the Sacramento City Unified School District and am currently in the SLPA licensing program at American River College. I will receive my license next summer where I will be able to work with Speech Pathologists and provide speech-language therapy to children. I am grateful that Cristo Rey High School helped me achieve my goals.

Fiscal Year 2017-18 Financial Report

Donor Highlight

CARRERA-JOFFE FOUNDATION

"The Carrera-Joffe Foundation and its founders, Margaret Carrera and Phil Joffe, along with its Board of Directors, have been supporting Cristo Rey high school since its inception in Sacramento. The Foundation's objective has been to help fund low income students and provide an opportunity for a quality education in a secure and encouraging disciplined environment. We believe students that study hard and participate in the Work-Study Program can graduate high school and are well positioned to attend a four year college. In most cases, these students will be the first to graduate college in their families.

Our Foundation's Board has seen steady progress at Cristo Rey since its first freshman class and through its challenging economic times. We thank Sister Eileen, the teachers and counselors for their tireless passion to help the lives of the students. With the school's beautiful new campus, new President, and extraordinary teachers and staff, we are encouraged that an increasing number of students will graduate from a four year college or university."

- Phil Joffe, Carrera Joffe Foundation

THE DONANT FOUNDATION

"Our family has a real passion for high school kids. The high school years are challenging and yet, a time of great opportunity. The work that Cristo Rey does in the formation of youth in our community, into responsible young adults, is extraordinary. The opportunity to participate in the Work-Study Program, assisting students with their education while developing the future workforce and the citizens of our community, is a privilege."

- Tim Lien, The Donant Foundation

CRISTO REY GRADUATE ADVISOR

We are pleased to announce that Cristo Rey Sacramento has been awarded a grant by the Cristo Rey Network to hire a full-time Graduate Advisor. This new position will focus on providing guidance to Cristo Rey alumni as they enter and progress through college, including assistance with selection of courses and understanding of college graduation requirements, support in dealing with college life, and help in completing and submitting financial aid applications. The Graduate Advisor will also help community college students when they are ready to transfer to a four-year institution. The goal of this new position is to ensure that all Cristo Rey alumni stay on track in pursuit of their dreams of earning a college diploma.

Thank You To Our Work-Study Sponsors

Thank You to our Work-Study Sponsors!

WHY I SUPPORT THE CRISTO REY WORK-STUDY PROGRAM

"There is no better way to raise the sights, and life trajectory, of high school students, than to provide a superior education that is integrated with meaningful access and work at a non-profit organization. Non-profits are the heart of most communities, lending a hand to those who slip between the cracks of public safety nets. What students learn while working for these organizations is synergistic: they grow up and become not just successful individuals, but successful responsible members of their community, and society at large."

~ Mike Jonsson

"It is our joy to support Cristo Rey High School Sacramento, because they provide life changing solutions that lift students out of poverty through education and purpose. The Work-Study Program of Cristo Rey creates experiences for the students that build vision, confidence and professionalism. Coupled with the commitment of the outstanding staff, teachers, and student work supervisors, the students are well equipped to thrive in college and beyond. It is our privilege to also be a part of their success by supporting the Work-Study Program."

~ Dr. & Mrs. Craig Morris

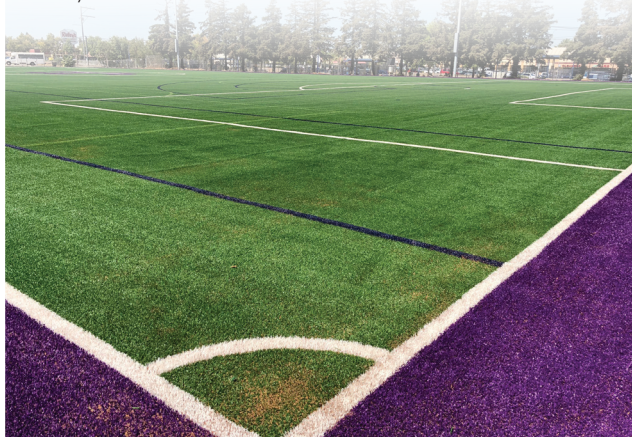

Thank You!

We at Cristo Rey High School Sacramento would like to extend a special **THANK YOU** to those who made pledge payments and contributions through Mercy Foundation last fiscal year (July 1, 2017 through June 30, 2018) to support "The Campaign to Build Cristo Rey", the Adamson Family Sports Complex and the Sr. Eileen Enright, RSM Endowment Fund. Without your support and generosity, our campus, beautiful, new field and the perpetuity of a Cristo Rey education would not be possible.

Sr. Eileen Enright, RSM Scholarship Fund

In tribute to Sr. Eileen's unwavering leadership and commitment to the Cristo Rey community, the Board of Directors established the **Sr. Eileen Enright Scholarship Fund** in March 2018.

Each year donations are needed to cover the difference between the cost of educating a student and the funding received from our Work-Study Program and family contributions. Currently that difference is \$3,250 per student. This fund has been established to help meet that need and assure the education of Cristo Rey students now and in the future.

We are pleased to honor those who seeded this fund during our last fiscal year (July 1, 2017 – June 30, 2018). These individuals are **Founding Members** of the Sr. Eileen Enright, RSM Scholarship Fund.

Giving Thanks

We extend our gratitude to the many generous individuals, businesses, foundations and organizations that made philanthropic gifts to Cristo Rey High School Sacramento for the fiscal year ending June 30, 2018. Your generous gifts enable the school to enhance the overall quality of education for our students while preparing them for college and beyond.

The following list reflects cumulative gifts and pledge payments received between July 1, 2017 and June 30, 2018, tiered into the following categories:

Thank You to Our Scholarship Dinner Donors

PRECEDENT SET AT 2018 CRISTO REY SCHOLARSHIP DINNER!

Supporters of Cristo Rey set an all new fundraising total on April 20th when over 525 guests gathered at the Doubletree Hotel. The dinner celebrated the graduates of the class of 2018 and honored Sr. Eileen who was retiring as the school's president. The Sr. Eileen Enright Scholarship Fund was established and school supporters repeatedly raised their paddles to show their support... to the tune of \$220,000! This combined with the sold out dinner and other fundraising established an all new event total of \$527,000!!! Sister Eileen and the students of Cristo Rey are ever grateful to those that supported (and continue to support) the mission of Cristo Rey.

Co-Chairs - Gloria Naify & Jana Cuneo

David Novak & Joanne Castronovo
and Fr. Ed Harris, SJ

District Attorney Ann Marie Schubert
with Cristo Rey Seniors
