

November 2019

Dear Patwin Elementary Supporter,

Preparations are underway for the annual Patwin Auction to be held **Friday, March 6, 2020**. We are asking for your help to make this year's auction a hugely successful event. The funds raised will go to projects that directly impact our 425 elementary school students.

Our annual auction supports vital programs in science, art and math. Patwin Elementary is a true neighborhood school that serves a very diverse community. This event is critical to the PTA's ability to provide programs that benefit all our students.

We have been fortunate to partner with many businesses to make this auction a success. While we realize many requests are made of businesses and community organizations, we hope you will consider supporting our school.

Donations for the auction can take many forms such as a store or restaurant gift certificate, merchandise or a professional service. Donor support from the Davis community is greatly appreciated.

If you are able to support Patwin Elementary by donating an item for our auction, please complete and return the attached form with your generously donated item or email our auction team at auction@patwinpta.org with your donation details. The deadline for auction donations is Feb. 15, 2020.

On behalf of our staff, school children and their families, our sincere thanks for your continued generosity. We appreciate any help you can provide.

Sincerely,

Stephanie Roberts
