

Holy Trinity's **TRANSITIONAL KINDERGARTEN** program establishes a great foundation for a faith-filled journey of academics!

### **FORMING** Students' faith

We form our students' faith through love, prayer, responsibility toward God's creation, and belonging to God's family

### **FOSTERING** Social-Emotional Skills

We foster our students' social-emotional skills to increase their ability to self-regulate, interact with others, and communicate effectively

### **PREPARING** for Kindergarten

We prepare our students for kindergarten through foundational skills in English, math, science and social studies using the *Learning without Tears* Curriculum

### **WELL-ROUNDED** learning experiences

We provide our students well-rounded learning experiences through computers, P.E., garden, music, dance and theatre

Join us for our Open House  
on Sunday, January 26, 2020, from Noon – 2 p.m.
