

For 26 years, S.A.G.E. has sponsored a student map drawing competition. In honor of National Geography Awareness Week, it was introduced to promote better understanding of the importance of geography and to encourage the creative talents of students. It is open to students from Kindergarten to 12<sup>th</sup> Grade.

This year, Holy Trinity School Ministry students submitted maps for this competition: Mrs. Heuerman's 2<sup>nd</sup> grade under the supervision of Mrs. Kreifels, Ms. Martinez 5<sup>th</sup>

grade, students in 4<sup>th</sup> grade, and Middle School students participated.

Kai Mata's map was selected as a winner. Kai is a student in Ms. Martinez 5<sup>th</sup> Grade.

## Congratulations to Kai!

Well done to all those who participated in the contest.
