

EAGLE PREP II

The Eagle Prep II is for students with diagnosed learning difficulties, such as ADD, ADHD, Autism, Dyslexia, and Dyscalculia. A medical or psychological evaluation is needed.

For a student to be part of Eagle Prep II, a referral must be made by the teacher followed by a meeting with the parents, resource teacher, academic teacher(s), and principal.

Accommodations offered in Eagle Prep II include all supports from Eagle Prep I as well as:

- Extended testing time on standardized tests
 - Extended timeline for homework
 - Oral testing
 - Scribing
 - Bulleted response in lieu of essay in some subjects
 - Alternative grade-level assignments
 - Access to sensory tools (fidgets, weighted lap pads, etc.)
-
