Caritas Creek 2023

Caritas Creek's purpose is to help young people discover the connection between all living things; to build bridges between diverse socioeconomic and ethnic groups; and to foster in youth a deeper connection to the natural environment, to self, to the Spirit of Love, and to community.

Caritas Creek, founded in 1975, is licensed and operated by CYO Catholic Charities in the Archdiocese of San Francisco.

Our 8th graders are blessed in many ways to be able to spend a week at this environmental camp in Occidental, CA. They are pictured, at right, as they prepared to leave on 11/3.

VETERANS DAY

HONORING ALL WHO SERVED

Hospitality Mass
Sunday, 11/5
10:30 am

In his homily following today's Gospel, Father Lazarro challenged the adults in the lives of our children to remember that we are called to lead them by example. They may hear what we say as we try to guide them....but they will also watch what we do, often "hearing" a message that is unspoken. So, it is with this in mind, that we must continue to join together as partners to guide our children in ways that are based on a Christian foundation that will lead to an everlasting life with God.
